REGISTRATION PROCESS

WITH WHOM TO REGISTER?

Please register for our summercamp with the coordinator of your country. If there isn't a coordinator listed for your country, send your registration directly to the youth coordinator of Steyl.

A few weeks before the summer camp begins, we will send all participants an email with final information about the camp and the transfer of the participation fee. No payment is required until then. We are aware that travel costs, income, and living expenses vary from country to country. In order to enable as many people as possible to participate, we have adjusted our prices accordingly.
